

## **What will I need to bring with me when I enrol?**

In order to enrol you will need to bring proof of any benefits (if applicable), any previous certificates of learning, a form of identification and a form of payment if you are paying for the course.

## **Can I afford the course and will I have access to special resources if I need them?**

Many of our courses are free and many people's individual circumstances mean they don't have to pay course fees. Call our main number 0121 557 0837 and they will be able to give you more information.

## **Will I be safe?**

Yes. Here at SAFL we aim to ensure that all of our learners' time with us is healthy and safe. We take such responsibilities seriously.

## **I can't decide whether learning is for me. I don't think I have enough time in my life to study.**

We know that deciding to take up a new course to study can involve some complicated decisions about what course to choose. You can speak to our staff before you enrol and they will be on hand to help with any questions you have during your studies.

## **I'm an employer. What can you offer me?**

Our Think Sandwell Team Employer Gateway can help local businesses meet their training needs. We can meet with you to explore how your organisation's needs can be met. Some of our services are provided at reduced rates through government sponsorship.

We can respond to your needs for training and development in IT, business administration, management, leadership as well as specific industry-focused vocational training in health & social care, children's care and learning for development. We are always looking for opportunities to expand and support local employers.

To find out more simply call them on 0121 569 3074 or 0121 569 2099 or email [enquiries\\_recruitment@sandwell.gov.uk](mailto:enquiries_recruitment@sandwell.gov.uk)
